Services & price list

September, 2024

Our Starter Packages

Our starter packages contain everything you need for a perfect start. Together with our onboarding team your first campaigns will be created, the interfaces configured and every open question gets answered. Ready to get started?

Starter package	Donations	Petitions / Recruitment
Included services	amount	amount
Data sets	2,000	6,000
Campaign setups	3	3
Hours of professional services	10	10
Price	6,400	6,400

Billing after Starter Package

After the data sets from the starter package have been used up, everyone can decide how to continue billing. Either postpaid, always pay only what you used per month, or secure the best price through our prepaid packages.

Payment Processing for E-Payments and Direct Debit donations

Through our partner RaiseNow AG, in addition to data collection, we also offer to make payments using a wide range of payment methods. Both instant payments on the street and ongoing payment processing for your longterm supporters. Whether it's card payments or Direct Debit processing, we got you covered. Payment Pricing always needs to be agreed in a separate Agreement with RaiseNow and other PSPs.
